

Visiting Our Schools

To keep students and staff safe, SDPC requires visitors, volunteers, and vendors to enter through the school's office and sign in to KeepnTrack. You will also be asked to show your picture ID to the receptionist, wear your KeepnTrack badge while you are in our school and sign out of KeepnTrack before you leave. Thank you for your help in following our procedures for safety in all our school!

Things to Remember on Your Visit

- Friends of students or students from other schools are not allowed to visit during the school day.
 - While visiting the school, take care not to disrupt any instructional setting. Teachers are not able to leave their supervisory and/or instructional responsibilities to meet with parents.
 - Parents, volunteers, or other visitors are not to interfere with the supervisory or instructional responsibilities of the teachers.
 - Teachers are available to confer with parents during planning periods, before 8:00 AM and after 2:30 PM. Arrangements should be made with individual teachers or through the office for appointments with administrative staff.
